Fitness Notes with Dana Britton - Fitness Director

It's January. The Club is filled with Resolutioners. It's more crowded than usual. "Your" bike is taken.

"They just don't understand gym etiquette", you say to your friends. "Oh well", your friends sigh back. "They'll be gone in a month."

"Don't curse the newbies. Welcome them. Encourage them. You were new once too and maybe you can remember how a little bit of encouragement goes a long way.

So along with your fitness goals, make it a goal to help someone with theirs. Smile at the person who looks nervous. Strike up a conversation about your favourite classes. Be generous with your compliments.

And if you're the newbie, then congratulations because by coming to the Club you've already taken the first step towards better

health. Let us help you. Come a few minutes early to class to meet the instructor. Take advantage of the free weight room orientation session that comes with your membership. Come to the Feature Classes to meet people who have already successfully made exercise a habit. Learn from them.

It's January. Maybe some of you have taken a week off fitness, maybe a year, maybe a lifetime. It's hard to start. It's even harder to keep going.

But you've climbed those stairs outside; and your legs feel like lead; and every muscle aches; and you know what? That's good news. Be proud that you've worked hard enough to make your muscles ache. Be proud that you still climbed those stairs. And just keep on moving.

Squash Notes with Allan Cook, Squash Pro, Level 3 Coach

Here are a few New Years resolutions for you Squash players:

- I will not get mad on the court, no matter how poorly I am playing.
- I will practice more. No more saying "I want to get better" and not practicing. It will not happen.
- I will not keep my racquet in my car. (Its too cold for the graphite)
- I will get to my matches on time.
- I will call Allan if I can't make a league night.
- I will stretch before every match.

Here are a few reminders of what is happening in the near future for Squash at the Club.

League starts again the week of January 11th so please see me at the Club if you are again interested either for a spot or for a spare.

Junior Squash resumes on Jan 17th so please sign up early to get a spot.

Also the NWT men's Squash team is heading to Calgary to play in the Canadian Men's Team Championships, Brooke Harker, Claudio Ardiles, and Martin Deschesnes, good luck to you guys.

Lastly ,the first Squash tournament of 2010 will be held from February 9th to 12th.

Have a great second half everyone.

Club Notes with Kelli Hinchey, General Manager

MESSAGE BED: Try our Abaton Massage Bed. The bed has five different acupressure and massage settings that operate in 33 minute sessions. The jade massage rollers produce far infrared and moxibustion (acupressure with heat) that absorbs deep into muscle tissues, offering incredible health benefits. Designed specifically to contour to the shape of the human spine, these rollers move from the top of your neck to the bottom of your feet. The result is incredible pain relief, improved immune system performance, relaxation and stress relief. Benefits also include: detoxification; weight loss; promotes relief of Arthritis; relief from muscular skeletal conditions & fibromyalgia; helps relieve skin conditions; diminishes Chronic Fatigue Syndrome; decreases daily stresses linked to health issues and therapeutic benefits of acupuncture or acupressure. See us at the front desk for details on purchasing individual massages or punch passes.
