NEW PROGRAMS FROM PAUL SHEARME—PERSONAL TRAINER
CHECK THEM OUT!

Lose to Win Fat Loss Program with Paul Shearme

Ladies would you like to lose 9-12 pounds of fat? Trim 6-11 inches in total off your body? Add 2-4 pounds of body-shaping muscle?

Gentlemen would you like to lose 13-19 pounds of fat? Trim 6-11 inches in total off your body? Build 3-4 pounds of muscle?

The Lose to Win Fat Loss Program is back! This is a six-week program that combines a low-calorie, well balanced meal plan with 1-on-1 training workouts with a personal trainer to maximize results. The program will have limited spots and will be starting the 3rd week in Oct.

Look for an information session with Paul Shearme this month.

Plyo's with Paul

Usually done in a group setting, plyometrics is a series of hops, skips, jumps, cone hops and mat work designed to increase an athlete's foot speed, quickness and vertical jumping. This program can help athletes of all ages train their fast twitch muscles to help increase speed and explosiveness. Great for squash, but also great for any sport or activity that uses quick explosive movements.

For more information on the Plyo's with Paul program contact Paul Shearme at 920-2224.

Squash Notes

with Spider Jones, Level 3 Certified Squash Pro

Ah, that time of year...outside the days are getting shorter, the nights are getting cooler, the leaves are getting...well you know the rest...while inside at the Club, the courts are getting busier, the nicks are getting bigger, our width is getting wider, our length is getting deeper, our drops are getting tighter and we are quickly getting fitter.

Thanksgiving will be upon us and we have much to be thankful for...ahh to bask in Pugsley's pace, Harald's heroism, Finlay's finesse, Claudio's courage, Mahen's magnificence, Brooke's bashfulness, Will's wanderlust, Michelle's machinations, Jessica's jubilation, Fred's friendliness, Garth's graciousness, Steven's steadfastness, Luke's luck, Jack's jocularly, Al's almightiness, and Kelli's kindness!

Our season opener tournament sponsored by the Racquet Club runs Wednesday, October 10th - Saturday, October 13th. Sign up at the bar.

Division 2 league will start Monday, October 15th, while Division 1 starts Thursday, October 4th. Come out on Monday, October 1 for League team selection and beer at 7:30 pm

Men's night on Friday October 26th from 6-8pm features Hardball - a favourite from last year. Sign up in the lounge and ... bring a cup.

Hear's to hitting up and serving last.

SPIN shoes: If you are planning to attend SPIN on a regular basis, it may be worthwhile to invest in cycling shoes. These shoes, specifically designed for biking, are a better choice than runners or cross-trainers as they clip into the bike pedals. This allows your hamstring and glute muscles to more fully engage, giving you a more balanced leg workout and greater power with each stroke. As well, the stiff soles not only provide a more stable platform during standing climbs, but can help prevent plantar fasciitis, a painful and long-drawn overuse foot injury.

Unlike squash, cycling shoes are not a requirement to participate in SPIN, but if you do regular classes they are a prudent investments to save yourself from potential injury and downtime in the long run. Like a good pair of runners, they generally cost approximately \$100-\$150.

For more information on cycling shoes, contact local sporting goods stores as it is imperative that they are fitted correctly.

And remember, there is no sign up required to attend a SPIN class. Just show up and reserve your bike with your water bottle or provided hand towel.
